INJURY STATUS REPORT

INSTRUCTIONS

EMPLOYEE RESPONSIBILITIES:

1. Provide this Injury Status Report form to your treating doctor (physician) each time you are treated for industrial or non-industrial injuries.
2. Obtain specific work restrictions from your physician.
3. Provide this completed form to your supervisor immediately after the physician evaluates you and places you off duty or determines that you may return to work.
4. Comply with the physician's restrictions or prescribed treatment (i.e., physical therapy) and avoid activities that may re-aggravate your injury.

PHYSICIAN'S RESPONSIBILITY:

1. Complete this form for all City of Los Angeles employees who you treat for industrial or non-industrial injuries and give it to the employee each time you evaluate, place off duty, impose temporary work restrictions, or return the employee to full duty.
2. Please be clear and specific when documenting restrictions. As a large and diverse employer, the City may be able to temporarily accommodate the employee's restrictions in their current job or in a temporary assignment performing activities outside their normally assigned duties. The employee may be unaware of available accommodations. The restrictions you provide will enable the City to properly accommodate the employee and protect the employee from further injury.

CITY OF LOS ANGELES INJURY STATUS REPORT
